

Greetings Fellow Sailor Alumni,

In 2017, the Sarasota High School (SHS) Hall of Fame was created and held its first event at Michael's On East. It is a cocktail attire dinner and awards ceremony. The event is now managed by the Sarasota High School Foundation. It is an annual event, every October during homecoming week, to honor and remember legendary Sailors!

Please visit www.sarasotahalloffame.com to learn more and view photos from past events.

The mission of the Hall of Fame is to preserve and promote the history of what it means to be a "Sailor." Nominations are dedicated to honor former students, faculty, and community leaders.

We rely on **you** to tell us who should be in the Hall of Fame, so please visit the website to nominate those you feel are hall of fame worthy.

The categories are:

- Edward F. Howell Award of Excellence: This award is given to someone who has made a lasting impact in the lives of students at SHS and in the community.
- Community Steward Award: This award is given to someone who is philanthropic and has made an impact in the local community through various charities.
- Leadership Award: This award is given to someone who has made a significant impact in the business world. It could be someone who has/had a successful company and/or mentored those who have/had successful businesses improving the quality of life for others.
- Male/Female Athlete Award: These awards are given to former athletes who have had success in their respective sports and gone on to make a lasting impact in the lives of others around them.
- Drama Award: This award is given to someone who has dedicated their life to the arts and made a lasting impact in the lives of others around them.
- Coach Award: This award is given to someone who has dedicated their life to coaching others and made a lasting impact in the lives of others.

We hope your class will purchase a table or tables this October to celebrate those from your years at SHS. We hope you come and share your stories and experiences so your legacy continues and other Sailors can learn from you.

See you in October!

Sincerely,

The Sarasota High School Foundation
